THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

YOURS

Yours to keep

site and files in your name

01 WHERE WE STARTED

What we built it around.

01

Beautiful results for generations to come.

From your Library page. Option 1 lights your library one bay at a time, after dark.

02

Chuck Harris runs a high quality, small shop, very intentionally.

From your homepage. Option 2 opens on your stone-and-stained-glass kitchen in morning light.

03

His hands touch each piece of wood that goes into your project.

Also yours. Option 3 draws your billiard-room bay as a shop elevation, then fills it with the wood.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Harris Woodworking: the homepage, a gallery of your kitchens and built-ins, your process and a project enquiry form, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your past clients and trade contacts, so the people who already know your work hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant that answers your shop line while you're at the saw, so new kitchen enquiries still get an answer, and every call becomes a short written record.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 6 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your past clients and trade contacts, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

03 HOW IT GOES

Live within a week of go.

DAY 0

You say go

You pay the 50% deposit and give us access to your domain and current site. Your live site won't change until you say.

We build these pages into your full site. You see every page in a preview before anything goes live.

Changes, next day

Text or email a change and it is live the next business day.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean and tested on a preview before anything goes live, and your enquiry form keeps sending to the same inbox it does now.

03

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about new projects?

Then the gallery grows with you. New kitchens and built-ins are easy to add, and I'll load your best past projects into it as part of the build.
